21 or to eliminate or reduce sexual or romantic attractions or feelings toward individuals of the
22 same sex; provided, however, that “sexual orientation and gender identity change efforts” shall
23 not include practices that: (1)(i) provide acceptance, support and understanding of an
24 individual’s sexual orientation, gender identity or gender expression; (ii) facilitate an individual’s
25 coping, social support and identity exploration and development; or (iii) are sexual orientation-
26 neutral or gender identity-neutral, including interventions to prevent or address unlawful conduct
27 or unsafe sexual practices; and (2) do not attempt or purport to impose change of an individual’s
28 sexual orientation or gender identity.

29 (b) A health care provider shall not advertise for or engage in sexual orientation and
30 gender identity change efforts with a patient less than 18 years of age.
